## CHAPTER 97-318

- ▣ Committee Substitute for House Bill No. 419
- ▣ An act relating to road, bridge, and building designations; designating the University of Florida Southwest Florida Research and Education Center, Institute of Food and Agriculture Services Building, as the “Dr. Paul H. Everett Building”; authorizing the University of Florida to erect suitable markers
- ▣ Approved by the Governor May 29, 1997.

We thank them for their  
contributions to the industry

May they rest in peace
